FIFA 22 introduces “HyperMotion Technology,” a brand new AI intelligence that makes players more fluid and natural. The new functionality allows players to react naturally in situations that would normally require a player to make a split-second decision, such as when to pass, when to dribble or when to shoot. 2. FIFA 18 [Pro Evolution Soccer 2015] The new Lorient Stadium in France, which was built from scratch in just 10 months and opened its doors for PES fans to experience the spectacular new venue, is in FIFA 18 and Pro Evolution Soccer 2015. All fans attending the opening ceremony at Lorient Stadium can also enjoy the new soundtrack and pitch. In the game world, the new Juventus Stadium, St. Jakob Arena, Nou Camp and Shanghai Stadium make a new appearance. Enjoy the improved field of view, pitch and gameplay over these world-renowned stadiums, where matches will be played for the first time. 3. FIFA 13 [FIFA 13] The Juventus Stadium in Italy gets an improved living neighborhood with the brand new Soundtrack and Pitch. Fans attending the stadium opening ceremony will also be able to enjoy the updated music, so you are sure to hear cool tunes playing during your match. Special events include the 2014 FIFA World Cup Finals Match and the Stella Artois European Championship, which are both highlighted in detail. Fans can relive special memories from these memories and experience a match like no other by engaging in the new Communication feature. 4. FIFA 12 [FIFA 12] The first of three stadiums from Brazil in the game world makes its appearance with the brand new Stadiums and Relive Memories from the 2014 FIFA World Cup Finals Match! Fans at the stadium opening ceremony can enjoy the new soundtrack and pitch together. On the football pitch, fans will be able to experience the newly improved environments with new animations and information graphics. Blending tactics with 3D animations, fans can enjoy improved visual effects when planning the attack or defending. 5. FIFA 10 [FIFA 10] A brand new case featuring real-life and fictional players, FIFA 10 includes the brand new Stadiums and Relive Memories from the ICC Cricket World Cup 2014. Fans at the stadium opening ceremony can enjoy the new soundtrack and pitch together

FIFA 20 is the world's best-selling game on PlayStation 4® and Xbox One. The word “Best” is used broadly, as it is impossible to define a game by a single statistic and FIFA 20 achieved that feat again. 2.2 million players from 190 countries enjoy FIFA around the world with 37 million unique players having played at least once in the last year. 70+ teams, with every corner of the game and every genre represented in the latest installment of football's biggest and best soccer simulation. Classic authentic gameplay, refined with a focus on playmaking and beautiful new features and graphics. One of the biggest advancements for FIFA is its partnerships, with live content being continuously produced for fans by industry leading partners like BBC Sport, NBC Sports, Sky Sports and Eurosport. Two of the biggest names in esports – Alienware and Intel – also joined forces to bring the game’s biggest mode to fans with the FIFA Competitive Series and FIFA Ultimate Team. The game also brought with it the biggest leap for motion controls with the introduction of 5M Evo. This means that players could experience the full-body, high-intensity gameplay that the world’s best players are demanding. Trials Mode FIFA 20 brings more trials and focus on combat. It also brings more enhancements to the EA SPORTS Football Club feature as well. Trials is a format used in video games for training and practice. FIFA 20 Trials Mode is an online feature enabling you to challenge your skills against the game in solo, co-op and multiplayer trials. While EA SPORTS FIFA 19 featured a number of traditional trials games, FIFA 20’s Trials Mode is something truly new and innovative. There are new goals to attain, unique features to unlock, new ways to score goals and challenges to master. Includes new sets of goals with unique goals from the likes of the Spanish La Liga and the USA National Team, as well as new players. EA SPORTS Football Club with exclusive lifestyle features

FIFA 20 comes with FIFA 19’s popular EA SPORTS Football Club, with all the social and lifestyle features that EA and EA SPORTS fans have grown to love. With the introduction of the A.I. Chip, EA SPORTS Football Club will track and save data on in-game FIFA Ultimate bc9d6d6daa

iaFUT is a feature in FIFA 22, which lets you build, play and compete in real-life card collectible games. In this mode you can play head-to-head online and offline against your friends or complete any of the card collection goals to unlock more teams, players and rewards. Gameplay Trailer GAME CONTROLS There are three main ways to control the players on the pitch in FIFA 22: Attacking, Defensive, and Individual. ATTACKING Press and hold the RB button to control players as you attack the opposition. Once in an attacking position, you can press the L1/RT and L2/LT buttons to move your player towards the ball. Press the X button to go back in defence, the Z button for a free kick. Defensive Press and hold the LT button to control players as you defend the goalkeeper. Press the X button to go back in defence and the L1/RT and L2/LT buttons to move your player towards the ball. Individually Players can now be controlled individually. When given the ball, you can press the X button to control the player where you want. When your player is running with the ball, you can press and hold the L2/LT button to jump and your player will shoot on goal. If you press and hold the L1/RT button, your player will go back for a pass to a teammate. Before the player is given the ball, press the Z button to attack. If the player runs with the ball and the ball is won, press the Z button to dribble and score. If your player receives the ball while carrying the ball, press the Z button to dribble, before passing or shooting. BALANCE There has been an upgrade in the ball physics and the skill rating of the game. You now control a player with more fluidity, your heading ability, dribbling,

and skill set, even with weaker balls. There is also a huge focus on attacking players having more mobility, which allows them to break out of tighter situations. STADIUMS This year the stadium set is now built to be more detailed. The stadiums have new facilities, staff and people and even the pitch itself will be affected by weather, time of day, and current events. For example, in the Bundesliga the fans can choose to bring their flags to the stadium and the away fans will also be cheering for their team. As usual

### **What's new:**

- **Ultimate Team Draft - Created to be as competitive and as accessible as possible, Ultimate Team Draft, included in Ultimate Team, makes its debut in FIFA 22. Every club on a pitch in FIFA 22 - from Portland Timbers to Polo \$tico - can be targeted by picking players in the new Draft system. Every pick is exciting, because every pick is custom-made to your needs!**
- **Citizens - From the very first moment you pick a new league, your new star players will fit seamlessly into FIFA 22.
