Battlefield 3 is being released to the public on Nov. 5, 2011.. But it's not my \$60 worth of games, Battlefield 3 game files.part35.rar.Join me as I trek the globe one country at a time talking to interesting people, taking photographs, making friends and having fun in some of the planet's most unique and beautiful locations... Sunday, June 20, 2011 Lyndon in Montevideo This time of year in Uruguay a lot of the cafes that I know in Montevideo open for business in the morning. One of them is the cafe Monterrubio which is one of the best in the city. The good news was they are celebrating their 20th birthday with a really great deal for people who buy 2 or 3 drinks. They do a deal where the price of a drink for 2 or 3 people is free as long as you buy 2 or 3 drinks. So... for one person - 1 drink; for 2 people - free; and for 3 people - 2 drinks free. I got there before 11am and the bar was already quite full. So I bought a pre-pregame beer and was off to browse the menus. I was lucky to find Lyndon, my foodie hero. He's in the photo below, so I'll let you know. We shared a bowl of guiso (a vegetarian stew) which had potatoes, green peas and lots of other good stuff. It was pretty good. Later I got the special and it was pretty yummy. Lyndon had some steak and he was really happy with it. The special was big plate of steak with mashed potatoes and green beans. I had a good chat with our waiter, which is always nice. We also got a nice bottle of Chardonnay to go with our meal and it was really good! So... if you are ever in Montevideo, make sure you go to Monterrubio for a drink. Highly recommended.
